Loop Head Peninsula's Regional Development Strategy

project ideas in concept, planning, implementation or completed stage: please critique and feel free to add ideas. If you would like to get involved you will be welcomed – please contact us. For comment on the individual projects, to submit your own project to the platform, or to otherwise get involved, you can also visit the above website, use the QR codes on the posters, or add sticky notes.

You will see that the projects are presented in

Primary Goal: This is why we are doing all this.

Facilitating Goals: These work together to deliver the Primary Goal.

Focus Areas: These are the prioritised areas we need projects in.

Projects: Collective actions that enable the delivery of the goals, and to have fun along the way.

one of four stages.

PROJECT IN IDEATION: The project is just an idea that is being clarified and developed.

PROJECT IN PLANNING: The project idea is mature and it is in planning stage.

PROJECT IN PROGRESS: The project is underway.

PROJECT COMPLETED: The project is complete.

Here's the capabilities we need to have in place

6. We partner

with other

communities when

this helps to grow community vibrancy within the Loop Head Peninsula, in Clare, along

the west coast of Ireland

and beyond.

5. We advance

mutually

beneficial projects

and opportunities with

neighbours inside and

outside our community,

with, as appropriate,

relevant civil society,

county, national and

1. We remain a learning network

with continued research and development at a community level, and with decisions taken through an agreed consensus approach amongst all people, involved.

> **Our Ethos** (Our routes to success)

4. We build implementation

capacity to deliver the goals and help sustainably address the challenges faced by the Peninsula.

Here's how we are choosing to

win

2. We support each other through

3. We challenge and address, with

grace, sympathy and humour, practices that don't support the communities' vibrancy, livelihoods, and nature.
